Wayne:

Understand the Toyota files completely now. I have one each (Carpeted floor mats and All weather floor mats) for Toyota. However, I only have the Lexus All Weather Mat file. Is there not a Carpeted Floor Mat guide for Lexus? We will post all of them on the newsroom with the appropriate titles (All-Weather or Carpeted).

Hi Celeste,

These 2 documents are not the same.
One is for the All Weather Floor Mat the other is for the Carpeted Floor Mats.

Feel free to title the attached document as "Toyota Carpeted Floor Mat Quick Reference Chart".

Please let me know if you have any further questions.

Wayne:

The previous documents were titled "Toyota (Lexus) All Weather Floor Mat Quick Reference Chart". Please confirm that the chart you forwarded below will replace the Toyota version we currently have posted.
